gan its campaign to abolish the vot- neighbers. ing trust it became necessary for the management to call in the services of Kuhn, Loeb & Co., to save the control. This was done through the purchase of 275,000 shares, it is understood. At the ensuing meeting some weeks ago, stockholders were presented with plans for terminating the voting trust which controlled the property. These were predicated on the acceptance by the stockholders of a flotation of \$10,000,000 in bonds, and the promise of a declaration at the meeting November 9 of a three per cent dividend. It is stated that control of the road being secured, it was N. C. then offered for sale to several lines, including the Wabash, but the competition was keen and the bid submitted have been more than the others were willing to meet,"
